- C. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

YES! I have heard of AD/MAG, but did not understand its function in the agency until Trends and highlights. I can see many reasons for their existence and believe they will play an important role toward the agency's mission.

- D. Other Comments:

I felt this was a very useful course to me and would much like to go to the trends & highlights again. I have been in the agency 12 years, most of that was in the DDO, and I have never had the background information on the divisions where I work.
